

Austin Thomas Boyd

703-915-6578 · aboyd26@vols.utk.edu · [LinkedIn](#) · [Academic Website](#)

Education

- May 2022 **University of Tennessee, Knoxville, TN**
Doctor of Philosophy in Educational Psychology and Research,
Concentration in Evaluation, Statistics, and Methodology
Minor in Statistics
Dissertation: The Parasocial Relationships in Social Media Survey
- May 2018 **University of Virginia, Charlottesville, VA**
Bachelor of Arts in Psychology, Minor in Biology
Awarded Research Excellence in Psychology Laboratory
Academic Dean's List, Fall 2016 & Fall 2017

Research & Practical Experience

- May 2022 - Present **Research Assistant**
American Reading Company
- Worked fully remote as the research assistant for the Vice President of Research and Evaluation.
 - Performed data cleaning and statistical analysis on K-12 student reading scores for validity, efficacy, and linking studies.
 - Co-authored a non-peer reviewed study on the validity of the Independent Reading Level Assessment (IRLA), a formative reading assessment for K-12 students used nationwide.
 - Full time (40 hours per week).
- Sept 2020 - July 2021 **Statistics and Evaluation Consultant**
Self-employed
- Founded a statistics and evaluation consulting company named Boyd and Associates International, LLC.
 - Secured a 10 month contract with Motorola Solutions to assist with data analysis and visualizations of their contracts in the federal government.
 - Approximately 10 hours per week. (paid)
- May 2020 - Aug 2020 **Statistics Intern, Evaluation, Statistics, and Methodology Program**
Supervisor: Dr. Morrow at the University of Tennessee's Educational Psychology & Counseling department
- Worked as a statistics intern for the ESM Program helping create a Handbook on R for students of the program
 - Created and conducted a training on basic R use and data visualization in R for doctoral students
 - Approximately 10 hours per week. (course credit)

- Jan 2020 - **Evaluation Intern, Human-Animal Bond in Tennessee**
 May 2020 *Supervisor: Dr. Souza at the University of Tennessee's College of Veterinary Medicine*
- Worked as an evaluation consultant to the RUFF Reading Program giving them a logic model and measurement workshop, as well as a written technical report of suggestions for evaluation questions, methods, and measurements for evaluating their program
 - Approximately 10 hours per week. (course credit)
- Aug 2019 - **Media Editing Consultant**
 Nov 2019 *Suburban Virginia Republican Coalition*
- Created 60 second video excerpts from the organizations "Think Suburbia" podcasts to be used in social media marketing and advertising.
 - Approximately 3 hours per week. (paid)
- Aug 2018 - **Graduate Research Assistant**
 July 2022 *Supervisor: Dr. Rocconi and Dr. Morrow at the University of Tennessee*
- Performed literature review and synthesized material to co-author journal article manuscript on reformatting data for social network analysis
 - Worked as a co-evaluator and consultant to the Arrowmont School of Arts and Crafts, giving them a logic model and measurement workshop, as well as a written technical report of suggestions for evaluation questions, methods, and measurements for evaluating their MACP grant
 - Worked as a research assistant for a grant funded project analyzing law schools' national ranking in relationship to student engagement
 - Approximately 20 hours per week. (paid)
- Sept 2017- **Test Item Writer**
 July 2019 *Psychological Services Bureau*
- Developed new test items for different entry level healthcare aptitude examinations
 - Approximately 5 hours per week. (paid)
- Sept 2017 - **Undergraduate Research Assistant, Psychometric Lab**
 May 2018 *Supervisor: Dr. Schmidt at the University of Virginia*
- Developed and presented a paper at the International Objective Measurement Workshop Conference
 - Analyzed data using Item Response Theory techniques and Rasch Modeling
 - Participated in weekly staff meetings to disseminate data and identify future objectives and goals
 - Approximately 10 hours per week. (course credit)

- May 2017 – **Program Evaluation Intern, Office of Accountability's Program**
 Dec 2018 **Evaluation Department**
Supervisor: Dr. Neall at Prince William County Schools
- Performed data analysis and visualization on survey results of several county programs including the gifted education, strings program, annual Equity and Excellence in Education (EEE) conference, Title I school's parent evaluations, and the newly implemented Professional Learning Community (PLC) Survey
 - Approximately 40 hours per week during the summers. (paid)
- May 2017 – **Statistics Consultant**
 Aug 2017 *Self-employed*
- Provided statistical consultations for doctoral candidates
 - Coded and analyzed survey results, including statistical testing, table and graphical representations of the data and results, and a written summary of the findings
 - Approximately 3 hours per week. (paid)
- Sept 2016 – **Undergraduate Research Assistant, Social Behavior and Decisions Lab**
 May 2017 *Supervisor: Dr. Converse at the University of Virginia*
- Supported undergraduate participants with the completion of psychological studies
 - Secured, recorded, and coded data for analysis using excel and SPSS
 - Participated in staff meetings to disseminate data and identify future objectives and goals
 - Approximately 6 hours per week. (course credit)

Teaching Experience

- Jan 2021 – **Graduate Teaching Assistant**
 May 2021 *Statistics in Applied Fields III (Dr. Rocconi at the University of Tennessee)*
- Assisted in teaching graduate students advanced statistical analyses with R in a synchronous online course
 - Approximately 6 hours per week. (course credit)
- May 2020 – **Graduate Teaching Assistant**
 Aug 2020 *Classroom Measurement (Dr. Morrow at the University of Tennessee)*
- Assisted in teaching graduate students educational measurement concepts and techniques in an asynchronous online summer course
 - Approximately 6 hours per week. (course credit)
- Jan 2020 – **Graduate Teaching Assistant**
 May 2020 *Statistics in Applied Fields II (Dr. Rocconi at the University of Tennessee)*
- Assisted in teaching graduate students statistical analyses with SPSS Statistical Software in an asynchronous online course

- Designed assignments and quizzes to teach statistical analysis and SPSS to graduate students
- Approximately 6 hours per week. (course credit)

Aug 2019 – **Graduate Teaching Assistant**

May 2020 *Program Evaluation I/II (Dr. Morrow at the University of Tennessee)*

- Assisted in teaching graduate students program evaluation methodologies in a two-part graduate course sequence
- Provided feedback and assistance to students as they designed and then conducted a program evaluation from start to finish for an external client of their choice
- Designed in class activities and helped lead instruction during in person meetings
- Approximately 6 hours per week. (course credit)

Sept 2017 – **Undergraduate Teaching Assistant**

May 2018 *Research Methods and Data Analysis II (Dr. Schmidt at the University of Virginia)*

- Developed and taught 1-hour lectures on 2x2 Factorial Analysis and Data Visualization using R Studio Statistical Software
- Assisted in teaching students statistical analyses with R Studio Statistical Software in weekly lab
- Designed assignments and code scripts to teach R Studio and statistical analyses to psychology majors
- Approximately 6 hours per week. (paid and course credit)

Feb 2017 – **Statistics Tutor at the University of Virginia**

May 2018 *Self Employed*

- Addressed areas of weakness in students' knowledge of course content at review sessions
- Promoted students' development of effective study strategies to aid in long-term comprehension
- Conducted discussions with students after exams to discuss future strategies to improve studying
- Approximately 2 hours per week. (paid and unpaid)

Dec 2015 – **Substitute Teacher**

Jan 2020 *Prince William County Public Schools*

- Taught autistic/special education children utilizing Applied Behavioral Analysis Therapy in the classroom
- Developed and executed lesson plans for K-3 autism students
- Covered academic classes K-5
- Provided academic support to struggling readers and second language learners

Presentations

Professional Presentations

- Boyd, A. T.** (2022, August). Assessing Robustness of Invariant Comparisons in Binary and Polytomous Rasch Models. Symposium presentation at the American Psychological Association (APA) Annual Convention 2022, August 4-6, Minneapolis, Minnesota.
- Narvaiz, S. & **Boyd, A. T.** (2021, October) Welcoming New Graduate Students During COVID: Assessing Virtual Orientations. Live presentation at the 2021 Assessment Institute Virtual Conference, October 24-27, Online.

- Schmidt, A., Rocconi, L. M., & **Boyd, A. T.** (2021, August) From Click to Code: Insights from Instructors and Students on Moving from SPSS to R in a Graduate-Level Applied Statistics Course. Live presentation at the 2021 Join Statistical Meetings Virtual Conference, August 8-12, Online.
- Narvaiz, S. & **Boyd, A. T.** (2021, June) Welcoming New Graduate Students During COVID: Lessons Learned from Assessing A Virtual Orientation. Poster presentation at the 2021 NASPA Virtual Conference on Student Success in Higher Education, June 26-30, Online.
- Christen, N., **Boyd, A. T.**, & Morrow, J. A. (2021, June). Asking it the “Right” Way Versus the “Wrong” Way: Creating Effective & Meaningful Assessment Items. Live exemplar session for the AALHE 2021 Online Conference: Exemplars, Encores, and Enigmas, June 7-11, Online.
- Jones, S. N., York, M., Christen, N., **Boyd, A. T.**, & Schmidt, A. (2021, May). Teamwork in a virtual environment: Reflections of conducting a needs assessment during a pandemic. Live reflective dialogue session for the EViE 2021 Conference, May 20-21, Online.
- Boyd, A. T.** & Schmidt, A. (2020, November) Basics of R Training. Online training presentation for graduate students in the University of Tennessee Evaluation, Statistics, and Methodology program, Online.
- Butler, B. M. & **Boyd, A. T.** (2020, October*) Curriculum Vitae Building. Workshop at the American Evaluation Association 2020 Conference, October 27-20, Online.
- Jones, N., Christen, N., & **Boyd, A. T.** (2020, October*). Inclusive evaluations: Making your online surveys accessible. Workshop at the American Evaluation Association 2020 Conference, October 27-20, Online.
- Christen, N., **Boyd, A. T.**, & Morrow, J. A. (2020, June*). Asking it the “Right” Way Versus the “Wrong” Way: Creating Effective & Meaningful Survey Items. Concurrent session for the Watermark Engage 2020 Conference, June 17-18, Baltimore, Maryland.
- Boyd, A. T.** (2020, March) An Application of Social Network Analysis with Internet Data: The Linkages Between Marvel Superheroes. Poster presentation at the University of Tennessee College of Education, Health, and Human Sciences’ Graduate Student Research Colloquium 2020, March 4, Knoxville, Tennessee.
- Boyd, A. T.** & Butler, B. M. (2020, March) Curriculum Vitae Building. Online training presentation for graduate students in the University of Tennessee Evaluation, Statistics, and Methodology program, Online.
- Boyd, A. T.**, Christen, N., Jones, N., Schmidt, A., & York, M. (2019, November) Equivalence Testing with Two One-Sided Tests (TOST) Training. Training presentation for graduate students in the University of Tennessee Evaluation, Statistics, and Methodology program, November 25, Knoxville, Tennessee.
- Rocconi, L. M. & **Boyd, A. T.** (2019, November). Examining the Relationship between Law School Rank and Student Engagement. Paper presented at the Association for the Study of Higher Education (ASHE) Conference, November 14-16, Portland, Oregon.
- Rocconi, L. M. & **Boyd, A. T.** (2019, November). Examining the Relationship between Law School Rank and Student Engagement. Paper presented at the AccessLex Legal Education Research Symposium, November 11-12, Orlando, Florida.

- Boyd, A. T. & Butler, B. M.** (2019, October). Paving the way to an effective resume: Standardizing the resume and CV formats. Poster presented at the annual Society for the Teaching of Psychology International Twitter Poster Conference, Online.
- Boyd, A. T., Schmidt, K. M., & Bergeman, C. S.** (2018, April). You know what they say about when you assume: Testing the robustness of invariant comparisons. Paper presented at the International Objective Measurement Workshop (IOMW) Conference, April 10-11, New York, New York.
- Boyd, A. T.** (2012, September) Knowing Your Leadership Styles. Workshop lead at JROTC Leadership Conference, September 25, Prince William County, VA.

Client Presentations

- Boyd, A. T.** (2020, February) *Logic Model and measurement consultation*. Presentation for the clients of the Evaluation of the Human-Animal Bond in Tennessee's RUFF Reading Program.
- Butler, B. M. & **Boyd, A. T.** (2019, February) *Logic Model and measurement consultation*. Presentation for the clients of the Evaluation for Arrowmont School of Arts and Crafts MACP Grant.

Class Presentations

- Boyd, A. T.** (2019, November). Survey of Parasocial Relationships with Online Celebrities. Project presented in EDPY 583: Survey Research Course, Knoxville, TN.
- Boyd, A. T.** (2019, November). The Biodiversity Finance Initiative (BIOFIN) Request for Proposal. Project presented in EDPY 651: Advanced Seminar in Program Evaluation Course, Knoxville, TN.
- Boyd, A. T., Jones, N., McHenry, L., Narvaiz, S., & Schmidt, A.** (2019, November). Tech Tips and Tricks in Survey Research. Training presented in EDPY 583: Survey Research Course, Knoxville, TN.
- Boyd, A. T. & Boatwright, B.** (2019, April). Social Network Analysis. PechaKucha project presented in EDPY 677: Statistics in Applied Fields II Course, Knoxville, TN.
- Boyd, A. T.** (2019, April). Assessing the Effectiveness of an Organizational Network Analysis of the Prince William County Public School System. Project presented in EDPY 534: Program Evaluation II Course, Knoxville, TN.
- Boyd, A. T.** (2018, December). Assessing the Effectiveness of an Organizational Network Analysis of the Prince William County Public School System Project Proposal. Project presented in EDPY 533: Program Evaluation I Course, Knoxville, TN.
- Boyd, A. T., Schmidt, K. M., & Bergeman, C. S.** (2018, April). You know what they say about when you assume: Testing the robustness of invariant comparisons. Lecture presented in PSYC 5720: Item Response Theory Course, Charlottesville, VA.
- Boyd, A. T.** (2018, April). Data Visualization in R Studio. Lecture presented in PSYC 3006: Research Methods and Data Analysis II Course, Charlottesville, VA.
- Boyd, A. T.** (2017, December). Conducting a 2x2 Factorial ANOVA in R Studio. Lecture presented in PSYC 3006: Research Methods and Data Analysis II Course, Charlottesville, VA.

Research & Evaluation Projects

Current Projects

- Aug 2020 – **Survey of Parasocial Relationships with Online Celebrities**
 Present *Co-PI*
- Developed and implemented a survey assessing parasocial relationships with online celebrities
 - Took the lead in designing the survey as well as drafting a three journal articles on the findings

Previous Projects

- Aug 2019 – **Distance Education Needs Assessment for ESM Program**
 May 2021 *Co-PI*
- Worked as a graduate research assistant and team lead conducting a needs assessment for the University of Tennessee's Educational Psychology and Counseling department to develop and online, distance education master's program for the Evaluation, Statistics, and Methodology program
 - Took over as team lead for the project in Fall 2020 and lead the creation of the final report and curriculum change proposal
- Aug 2020 – **Evaluation of the 2020 New Graduate Student and Graduate Teaching Assistant Orientation**
 Dec 2020 *Co-PI*
- Worked as an evaluation consultant to the University of Tennessee's Graduate School and evaluated their first ever entirely online graduate student orientations as a result of the COVID-19 pandemic
 - Developed a report covering the successes and shortcomings of the events, along with commendations and recommendations for future online orientations
- Mar 2019 – **Examining the Relationship between Law School Rank and Student Engagement**
 May 2020 *Co-PI*
- Worked as a graduate research assistant on the AccessLex grant funded research project where we analyzed law schools' national ranking in relationship to student engagement
 - Took part in two presentations of the results as well as assisted writing a journal article on the findings
- Oct 2018 – **Preserving and Teaching Traditional Appalachian Craft**
 May 2019 *Co-PI*
- Worked as an evaluation consultant to the Arrowmont School of Arts and Crafts, facilitating a logic model and measurement roundtable, as well as providing a written technical report of suggestions for

evaluation questions, methods, and measurements for evaluating their MACP grant

- Designed and implemented a feedback survey for the project's Legacy Week event

Sept 2018 – **Assessing the Effectiveness of an Organizational Network Analysis of the Prince William County Public School System**
May 2019

Co-PI

- Conducted an Organizational Network Analysis (ONA) of the Prince William County Public school system
- Provided the client with a write up of the results and a "How to" guide for implementing future ONAs
- Gave an in-person presentation of the final results to the client

Sept 2017 – **You know what they say about when you assume: Testing the robustness of invariant comparisons**
May 2019

Co-PI

- Analyzed data from the University of Notre Dame using Item Response Theory techniques and Rasch Modeling
- Took part in a presentation of the results as well as took the lead in writing a journal article on the findings

Grants

Funded

Boyd, A. T. (Co-PI) & Rocconi, L. M. (Co-PI) University of Tennessee Scholarly Activity and Research Incentive Funds: Summer Graduate Research Assistantship Fund.

Developing easy-to-use and accessible statistical tools for applied researchers.

University of Tennessee Office of Research & Engagement. April 2020. (\$3,600)

Boyd, A. T. (Co-PI) & Schmidt, K. M. (Co-PI) University of Virginia Small Research and Travel Grant. *You Know What They Say About When You Assume: Assessing the Robustness of Invariant Comparisons*. University of Virginia College of Arts & Sciences. May 2018. (\$750)

Not Funded

Morrow, J. (Co-PI), Rocconi, L. M. (Co-PI), Skolits, G.J. (Co-PI), Butler, B. M. (GRA), & **Boyd, A. T.** (GRA) IES Statistical and Research Methodology in Education Grant. *Methodology and Statistical Tools for Educational Researchers (MASTER)*. Institute of Education Sciences. July 2020. (\$900,000)

Boyd, A. T. (Co-PI) & Skolits, G.J. (Co-PI) Friends of EPC Student Research Award. *Assessing the Effectiveness of an Organizational Network Analysis of the Prince William County Public School System*. University of Tennessee Educational Psychology & Counseling Department. January 2019. (\$400)

Professional Workshops & Trainings

- Feb 2021 Experiential Learning Certification
 - *UTK Teaching & Learning Innovation certification in experiential learning best practices and student learning outcomes for instructors*
- Apr 2020 Introduction to Tableau
 - *Introductory training on using Tableau data visualization software*
- Feb 2020 The Craft of Statistical Analysis: Principal Component Analysis
 - *Principal component analysis training conducted by Karen Grace-Martin of the Analysis Factor*
- Aug 2019 Security Awareness
 - *UTK IT training on general security awareness*
- Oct 2018 Introduction to Statistical Concepts
 - *SAS training on using the software to perform basic statistical analysis*
- Oct 2018 FERPA Basics
 - *University of Tennessee training on FERPA regulations*
- Sept 2018 Title IX Mandatory Reporter Training
 - *University of Tennessee training on Title IX regulations*
- Sept 2018 Institutional Review Board 101
 - *Introductory presentation on the process of submitting IRBs*
- Sept 2018 Introduction to NVivo 12
 - *Introductory course on using NVivo12 for qualitative data-analysis*
- Sept 2018 Data Visualization in NVivo 12
 - *Course on using NVivo12 software for data visualization*
- Aug 2018 Network Analysis for Business Performance
 - *Connected Commons Course on organizational network analysis*
- July 2018 Correlation Analysis 101 – A Farm to Table Overview
 - *QuestionPro training on the basics of correlation analysis*
- July 2018 Mandated Reporters: Recognizing and Reporting Child Abuse and Neglect
 - *Course for educators on knowing the signs of child abuse and neglect*
- May 2018 Social and Behavioral Research
 - *Collaborative Institutional Training Initiative course on research ethics*
- May 2018 Responsible Conduct of Research
 - *Collaborative Institutional Training Initiative course on research responsibilities*
- Apr 2018 Bullying Prevention
 - *Course for educators on knowing the signs and preventing bullying*
- Apr 2018 Suicide Prevention
 - *Course for educators on knowing the signs of depression and preventing suicide*
- Mar 2018 Enhancing the Learning Environment
 - *Course for educators on utilizing technology and hands-on teaching methods*
- Jan 2018 Preventing and Addressing Discrimination, Harassment and Retaliation
 - *Course for educators on discrimination and harassment prevention*

- Oct 2017 Data Analysis Workshop with R & SPSS Syntax – Intermediate
 - *Intermediate course on using R studio and SPSS syntax for data analysis*

Professional Memberships

- Since Apr 2021 **NASPA Member**
 - *National organization for professionals involved in higher education and student affairs*
- Since Apr 2021 **Association for the Assessment of Learning in Higher Education Member**
 - *National organization for professionals involved in promoting effective assessment practice in higher education*
- Since Mar 2020 **Golden Key Member**
 - *International academic honor society for undergraduate and graduate students*
- Since Mar 2020 **Delta Alpha Pi Member**
 - *International academic honor society for students with disabilities*
- Since Nov 2019 **Data Visualization Society Member**
 - *National interdisciplinary professional organization on data visualization*
- Since Nov 2019 **Phi Kappa Phi Member**
 - *National interdisciplinary academic honor society*
- Since Sept 2018 **National Council on Measurement in Education Member**
 - *National organization for professionals involved in educational assessment, evaluation, and testing*
- Since Apr 2018 **Psi Chi Member**
 - *International academic honor society in Psychology*
- Since Mar 2015 **National Society of Collegiate Scholars Member**
 - *National academic honor society for undergraduate students*
- Since June 2013 **Virginia Boys' State Delegate**
 - *American Legion Boys State summer leadership and citizenship educational program on government instruction for U.S. high school students*

Honors & Awards

- 2020 Graduate Student Leadership & Service Excellence Award – University of Tennessee Educational Psychology and Counseling Department (\$500)
- 2019 First Place in the A-μ-sing Competition held by the Consortium for the Advancement of Undergraduate Statistics Education (\$100)
- 2018-2022 University of Tennessee Four Year Graduate School Fellowship (\$16,000)

Professional Service

University Service

- Aug 2019 – University of Tennessee Graduate Student Senate
 May 2021 President (May 2020 - May 2021)
- *Served as the Graduate Student Senate President for the graduate and professional student body*
 - Committee Membership
 - Commission for Disability
 - Global Vision Steering Committee
 - Graduate Council
 - Graduate Student Termination Appeals Hearing Committee
 - Graduate and Professional Student Professional Development Committee
 - Programming Student Advisory Board
 - Orientation Planning Committee
 - Title IX Action Collaborative
 - Title IX New Regulations Implementation Team
 - University Leadership Council
 - UTK Big Orange Pantry
- Legislative Steering Chair (Aug 2019-May 2020)
- *Served as a Graduate Student Senate representative for the Educational Psychology and Counseling department and chair of the Legislative Steering Committee*
- Aug 2019 – EPC Department Student Representative
 May 2021
- *Served as a representative for the Evaluation, Statistics, and Methodology program in Educational Psychology and Counseling student representative meetings*

Scholarly Service

- Mar 2020 Conference Submission Reviewer
- *Served as a conference submission reviewer for the Association for Assessment of Learning in Higher Education 2020 conference*

Certifications & Skills

Certifications in

- Microsoft (Windows 10, Word, Excel, PowerPoint, and Outlook)
- R Studio
- SAS
- Google Docs
- CITI IRB-HSR and IRB-SBS

Proficient in

- Microsoft Publisher
- iMedRIS
- iThenticate
- Magenta Forms Designer
- Remark OMR
- SurveyMonkey
- CyberLink WaveEditor 2
- CyberLink PowerDirector 16
- SAS Enterprise
- IBM-SPSS
- Winsteps
- End Note
- Mendeley Reference Manager
- NVivo 12
- Gephi
- WordPress
